## Adult Bible Studies

Join us for our Winter/Spring session of Adult Bible Studies beginning February 15th at 6:30 PM. We have several study options for you to choose from:

- Our Adult Women's Study will be *Discerning the Voice of God* by Priscilla Shirer. If hearing God has seemed challenging, discover how you can listen with greater confidence, clarity and discernment. The study includes daily opportunities to more deeply understand the Holy Spirit's role in your life; differentiate His voice from imposters' voices, even from your own; glimpse His guidance in your every day life; and grow consistently in obedience, surrender, stillness and humility. This study is led by Marie Clark and the book cost is \$15.
- Our Adult Men's Study will be *The Titus Ten: Foundations for Godly Manhood* by J. Josh Smith. This book is a manual for becoming the kind of man God intends for you to be, and leading other men to do the same. This study will help grow your understanding of the gospel, your identity, your character, your doctrine, and more. This study is led by Richard Miller and book cost is \$15.
- Our Co-Ed Adult Study will be *The Parables of Jesus: Revealing the Nature and Character of the Kingdom of God*. This study will help you better understand how believers live in the Kingdom of God. This study will be led by Gwen Wright, and materials will be provided. Please plan to bring your Bible.

If you would like to participate in one of these studies, please contact Bri in the office at 913-432-4141 to have your name put on the list.

**MAKING  
DISCIPLES**

If you purchase new fish for your aquarium or pond, a key step is to allow the fish to acclimate before dumping them out of their bag of water into their new surroundings. If you rush it, the fish likely won't last through the first 24 hours.

In Alvin L. Reid's book called "**Sharing Jesus Without Freaking Out**", he says, "In the same way, our goal must not be to dunk people into the living water of the Gospel as fast as we can, but to show them the wonder of the living water that alone can quench their deepest thirst. We want to help folks see that living in their current bag of water does not compare to the ocean of life that Christ gives.

God made each of us with our unique gifts and talents. He wants to use each of us in our circle of influence to share about Jesus. "If Jesus is the greatest thing that ever happened to us, He should come up in our conversations. Not forced, not structured, but simply because He is the biggest deal in our lives." Join us in praying for opportunities to share about Jesus, for the wisdom to see it, and the courage to take it. Participating in a Home Group is one environment Nall provides for you as an opportunity to invite and share about Jesus. If you are interested in joining a Home Group, please contact Ty and Kristi DeMint at [mcprayer@gmail.com](mailto:mcprayer@gmail.com).

## International Mission Board by Pastor Bob Mills

More than 1.7 billion people still live with little or no access to the Gospel. The International Mission Board (IMB) is a non-profit religious organization of the Southern Baptist convention, the nation's largest evangelical denomination, with more than 46,000 churches and over 15 million members. IMB's vision is a multitude from every nation, tribe, people and language knowing and worshipping our Lord, Jesus Christ. IMB's mission is to serve Southern Baptists in carrying out the Great Commission to make disciples of all nations.

The organization plays a primary role in fulfilling the Great Commission globally through the partnership and support of our churches. Every employee of IMB, therefore, functions as a minister of the Gospel through our role in fulfilling the commission with which we have been charged. All employees must commit to living a life of personal holiness in imitation of Jesus Christ and bringing glory to God the Father in carrying out all assigned responsibilities, by the power of the Holy Spirit.

My experience with the International Mission Board is very personal in that my uncle and aunt served as career missionaries for 20 years in South American and the Caribbean. I know what life was like as a missionary in a foreign country as I had the privilege of being a family member of missionaries and had the opportunity to serve as a summer missionary outside our country.

Nall Avenue Baptist Church is a mission minded church committed to the Great Commission of our Lord Jesus Christ. I want to thank this great church for your continued prayer and financial support for international missions. Because of your support, individuals all over the world are hearing the Gospel and churches are being planted.
